

The Ukrainian American Cultural Center of New Jersey is located in a stunning, brand new, 24,000 square foot building in Whippany, NJ. The Cultural Center's purpose is to provide facilities for the preservation of Ukrainian heritage and culture, and to promote and conduct educational and social programs for persons of Ukrainian descent and for the community at large.

In less than fifteen months of operation, the Cultural Center has become a significant focal point of Ukrainian American life in New Jersey, and is becoming a beacon for the Ukrainian American community in the United States. At present, nearly twenty member organizations offer cultural, sports, scouting, social, medical, educational, women's, and spiritual programs to approximately 1,500 participants each month. Many Morris County organizations also host events and programs at the Cultural Center weekly.

Please call 973-585-7175 to book your events, gym time and meeting rooms. Our Reception Hall can accommodate up to 250 guests with a large dance floor.

Inaugural Sitch Challenge Cup - 4 man teams

This year we are introducing a separate tournament within the outing for the Sitch Challenge Cup. We invite members of other Ukrainian Sports Clubs as well as eligible independent teams to combine twosomes (for a four-man best ball score) and compete for the privilege of having their names permanently engraved on the tournament cup sponsored by our local athletic club Chornamorska Sitch. To be eligible, all team members must be of Ukrainian descent by birth or marriage or a member in good standing of one of the member organizations of the UACCNJ. The outing will have a separate winner for a 2-man best ball score. Eligibility is open to all participants.
